

STUDENT HANDBOOK  
COLLEGE OF THE ALBEMARLE  
1985-86

## FOREWORD

This Handbook has been prepared with YOU, the student, in mind. As you will see, a variety of information including many of the policies and regulations affecting students, has been included. As a student, it is important that you know the proper procedures to follow in registering for classes, in officially dropping and adding classes, and in officially withdrawing from school, if necessary. It is also important that you know your program advisor, members of the Student Development staff and other officials who can either help you or refer you to the appropriate person, department or office for assistance with specific problems.

In order that you might achieve your educational goal within a reasonable period of time, it is our hope that you will avail yourself of each opportunity to broaden your views by taking full advantage of the facilities and training available to you. If you have not done so already, set a goal for yourself and then work toward it. Get to know the leaders of the Student Senate and the student clubs. Accept the challenges ahead of you with courage and determination. Become an integral part of each of your classes and COA by asking questions and by participating in extra-curricular activities.

Even though this HANDBOOK will answer most of your questions regarding class attendance, our grading system, student records, academic probation and suspension, financial aid, special services available to students, etc., you are still reminded and encouraged to stop by a counselor's office whenever you have a question or a problem with which you need assistance. Please keep this book with you and use it often since you are responsible for knowing and observing all regulations contained herein.

# EXAMPLE GRADE POINT AVERAGE (G.P.A.) COMPUTATION

John Doe attended C.O.A. last Fall Quarter. He enrolled in five classes, and his final grades were as follows: English 101, "C"; Biology 101, "C"; Math 121, "F"; History 101, "D"; Physical Education 104, "A". As explained on page 25 of the college catalog, an A = 4 quality points, B = 3, C = 2, D = 1, and F = 0. John's grade point average (G.P.A.) is computed in the following manner:

COURSE	GRADE	QUARTER HOURS	QUALITY POINTS	TOTALS
ENG 101	C	3	x	2 = 6
BIO 101	C	4	x	2 = 8
MAT 121	F	3	x	0 = 0
HIS 101	D	3	x	1 = 3
PED 104	A	1	x	4 = 4
		14 Hours		21

$$\begin{array}{r} \text{Divide: } 14 \overline{) 21.00} \\ \underline{14} \phantom{00} \\ 70 \phantom{0} \\ \underline{70} \\ 0 \end{array} \quad \begin{array}{l} 1.5 \\ \text{= GRADE POINT AVERAGE (G.P.A.)} \end{array}$$

The 1.5 G.P.A. is equivalent to a "D" average at College of The Albemarle. However, one should note that a 2.0 or "C" is required (1) to graduate from COA, and (2) to transfer to a senior institution. In addition, it must be understood that earning final grades of "D" and "F" on courses with other grades of "C" will eventually result in a student being placed on Academic Alert, Conditional Status, and/or suspended. See "Policy for Encouraging Academic Progress" on page 26 of the College Catalog for further explanation.

## EMERGENCY PROCEDURES

- I. Emergency cases occurring during regular day classes should be handled in the following manner:

  - E. Spectators should not render help unless qualified or under the supervision of qualified medical personnel. The ill or injured person should not be moved unless absolutely necessary.
  - F. Try to keep the ill or injured party dry and warm. All objects should be moved that may cause further injury.
